

Helping *every* student develop their *unique* voice, and the writing skills to express it.

**Packback** is a discussion and writing platform powered by instructional AI. Packback now offers a Suite of learner- and instructor- empowering tools. They include:

### Packback Questions

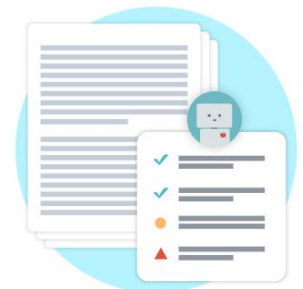

Inquiry-driven, discussion platform where students ask the questions.

### Packback Instruct

Three tools for engaging, supporting, and interacting with your class - including polling.

### Packback Deep Dives

Writing platform with instant feedback to help every student build a strong foundation.

### Curious to hear more?

[Schedule a 1:1 walk-through](#) of the platform with Curriculum Consultant Ri Cantlin ([ri.cantlin@packback.co](mailto:ri.cantlin@packback.co)). You can also access a quick [walk-through video](#).
